

WELSH LADIES TEAM CO-ORDINATOR'S REPORT FOR 2015

The Ladies had a more successful season than previously, narrowly missing on being top of their group.

We won our first match against Greater Manchester by 16 chinks with our best winners being Lyn Langford (21-6) at home and Amanda Nicholas (21-4) away.

The trend continued in our second match against the Wirral, winning by 97 chinks. Our best winners were Amanda Nicholas (21-5) at home and Lyn Langford (21-8) away.

The third match against Yorkshire was, we felt, our hardest but the Ladies performed very well to enable wales to win by 10 chinks, with Sue Dace winning 21-6 at home and Sue Vayro 21-6 away.

We approached our final game against North Warwickshire with some trepidation with the home team winning by 49 chinks (best winner Katelyn Morgan-Rowlands 21-7). Unfortunately, the away green proved very difficult for our team with Sarah Hey and Kelly Richardson being the only winners.

Our dream of reaching the county championship semi-finals was dashed.

However, we had the opportunity to compete in the Mavis Dearden supplementary cup. We took full advantage of this and won the cup, getting our revenge on North Warwickshire by beating them in the final.

Well done to all the players and in particular to Sue Dace for being our merit winner and very good luck for 2016.

Catherine Rogers
