## Referees Society

### Report for 2015 Season

During the 2015 season our Society undertook 97 domestic appointments and nearly a dozen appointments on behalf of the BCGBA including the BCGBA Junior Merit Finals held at the Rhos Park BC. Several Charity events were also supported.

Every request for a Referee or Measurers was fulfilled.

We also gained the services of four new referees who successfully passed the qualification all gaining A grade passes and we welcome them into the fold.

That said we are still anxious to recruit more referees as the coming 2016 season is going to prove very busy and includes the BCGBA Senior merit finals in Wales and several new events in the WCGBA calendar.

A highlight of last season included D.T.Evans refereeing a Blue Ribbon event at the Waterloo stadium.

Should any club member reading this report be interested in maybe becoming a referee please call Peter Hayes on 01745 361084 for a chat in the first instance. You will be made welcome.

Peter Hayes
