

Welsh Crown Green
Bowling Association
Referees Society

The Annual holding of the Stan Higham trophy took place on the St Asaph green on the last Sunday in March 2013.

The weather was very mixed, as was the quality of the bowling, but everyone enjoyed the day out.

The proceedings were further enlightened by a visit from two luminaires from the Welsh Crown Green fraternity past Presidents of the WCBBA Ken Hardman and John Percy.

It was good to see both of them looking well.

The eventual winner of the Stan Higham trophy was Wayne Jevons, our Treasurer from the Fron Park BC. His opponent in the final was Stan Warburton Who tried his level best.

The Society wishes all referees a good season and not to forget the forthcoming fixture against the Cheshire referees at the Rhyl Bowling Club.

Our photographs show the two finalists with the winner Wayne on the left, and our visitors from the WCGBA.
